**96%**

of older adults and families, on average, maintain stable housing and achieve other program-specific objectives

**16%**

reduction in Medicaid spending for our participants due to Service-Care Coordination

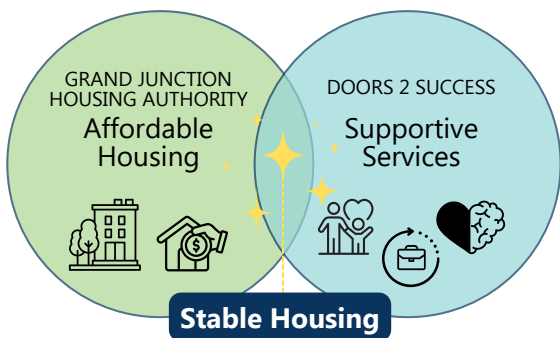

**OUR MISSION**

*Doors 2 Success empowers participants of Grand Junction Housing Authority programs, in partnership with community organizations, by promoting stable housing through supportive services tailored to individual and household needs.*

## What we do and why it's important.

Doors 2 Success offers lower-income households comprehensive, one-to-one support to maintain stable housing. Through care coordination, our older adult and family participants benefit from:

- **Appropriate healthcare access** to avoid worsening conditions and promote wellbeing
- **Community resource connections** that can help address all household members' needs or barriers to success
- **Emergency financial assistance** to prevent eviction, utility shut-off or other destabilizing events and circumstances
- **Educational resources** to advance financial literacy and create sustainable budgeting

Your donation of
